ACQUIRED SUPPLEMENT TO  
REPORT NO.

25X1X

During the morning of 6 October the army supply depot in Medan was jammed for several hours with trucks fueling and loading supplies. Two heavy machine guns were placed in strategic sandbagged positions outside the main entrance of Col. Simbolon's headquarters. More than normal activity in troop movements was also apparent.

25X1A

Comment. The army activity may be the normal aftermath of the Army Day celebration on 5 October.
